Final chance to catch How to Make a Monster the art and technology of animatronics

Now open at the Gold Coast City Gallery

After 10 years of touring internationally, and with more than 800,000 visitors to date, this is your final opportunity to direct a dinosaur, be a lighting technician, manoeuvre a mermaid tail and touch alien guts!

There is a fantastic range of Kids Workshops and Adult Masterclasses, many featuring members of the John Cox's Creature Workshop crew, so be sure to check out the Public Programs:

[Monster Sculpture School with Richard Mueck](#)

[Being The Monster with Marco Sinigaglia](#)

[Monsters on the Wall with Jason Haggerty](#)

[Make a Monster Movie - Stop Motion with Ethan Cox](#)

[Get Your Monster On - School Holiday and Weekend Workshops](#)

[Monsters After Dark: Contemporary Monsters](#)

[INFORMATION FOR SCHOOLS - click here](#)

We have had so much fun showing visitors the skills and processes involved in bring a creature from the written page to the silver screen. It's wonderful to be staging our final showing in our home city of the Gold Coast.

We know our eNewsletter subscribers are a creative bunch. You might like to [MAKE YOUR OWN MONSTER](#) and WIN a monster experience for you and 10 friends! Sadly, it's only open to Queensland residents, and please note that airfares or accommodation are not included in the prize.

Monsters is being shown in association with the [Gold Coast Film Festival](#) and John will be introducing and giving a sneak peek behind the scenes of 'Babe' at a free family pop up screening at 5pm 6th April. Check out the full program [HERE](#). See you at the Opening night this Thursday!

You can also catch John at the [Monsters After Dark](#): Panel Discussion and Film 6pm 22 April and at SuperNova 2pm 9 April.

You can see more photos from Opening Night at [The Arts Centre GC Facebook page](#)

And check out the fun at Instagram [#getyourmonsteron](#)

'How to Make a Monster' closes Sunday 12 June - so don't miss it!
